District 6: Federal Reserve Bank of Atlanta

Collection 104 Marietta Street Construction
Dates 1921-1924
Significance This collection of 80 photographs, arranged chronologically from July 1921 through February 1923, depicts the expansion construction that more than doubled the size of the 1918 Federal Reserve Bank of Atlanta building at 72 Marietta Street. These photos were originally mounted on linen in a scrapbook, since discarded because of its poor condition. Architect Ten Eyck Brown designed the 1918 building, but it has not been determined whether the same firm designed the expansion.
Record Location(s) Federal Reserve Bank of Atlanta Archive
Digital Yes
URL <http://etc.atl.frb.org/search.cfm?cName=104%20Marietta%20Street%20Construction>

Collection 75th Bank Anniversary photos
Dates 1870-1995
Significance For the Federal Reserve Bank of Atlanta's 75th Anniversary in 1989, useful and interesting documents and photographs were pulled from the old Administrative Records System (ARS). Until it was disbanded in the early 1990's, the ARS was the primary archival repository for the Atlanta Fed.

Collection	Keyserling, Leon H.
Dates	1923-1989
Significance	Council of Economic Advisers, 1946-1953. The papers of Leon H. Keyserling document his entire career as an activist economist devoted to liberal causes. Keyserling himself compiled and bound the remarkable series of articles and reports he wrote, the speeches and testimony he gave, and the newspaper clippings that recorded the events of his long career. These series constitute about two-thirds of the collection. Most of the remainder consists of files of memoranda, correspondence, reports and transcripts of testimony that document Keyserling's work as Vice Chairman, Acting Chairman, and Chairman of President Truman's Council of Economic Advisers.

Collection	Anderson, Robert B.
Dates	1933-1989
Significance	In July 1957 Anderson returned to Washington, DC, to become Secretary of the Treasury, and continued in the position until the end of the Eisenhower administration. In January 1961 he moved to New York City where he became an international investment specialist. However, he continued to serve President Eisenhower's successors in a variety of special positions. In 1963 President Kennedy appointed Anderson to a special committee to study the U.S. foreign aid program. In 1967 President Johnson appointed him to a special committee to study the federal budget. His most significant government service, however, involved the Panama Canal.
